As the name suggests "Business to Business Marketing" (B2B Marketing) refers to the exchange of either goods or services or both between two businesses (organization/firm). "Business to business marketing" also known as industrial marketing involves the sale of goods and services by one organization to the other

the marketing department.

~~[PDF] Business Marketing Management:
B2B | Semantic Scholar~~

Business-to-business is a situation where one business makes a commercial transaction with another. This typically occurs when: A business is sourcing

File Type PDF Business Marketing Management B2b

materials for their production process for output. Example: Providing raw material to the other company that will produce output. A business needs the services of another for operational reasons. A business re-sells goods and services produced by others. B2B is often contrasted with business-to-consumer. In
