The crusade to rid the world of evil and "evildoers" derives from the same biblical tradition of zealous warfare and nationalism that spawns Islamic and Israeli radicalism. In America, where this tradition has been popularized by superheroic entertainments, the idea of zealous war is infused with a distinctive sense

against Evil could not be more timely or relevant, as much for the survival of American democracy as for the peace process in the Middle East. Through the literary tactics of shock and awe, the book will hopefully provoke internal debate within America and, God-willing, soul searching will lead to change.
