Captive in the Dark is 2018 erotic/psychological film based on the novel of the same name by C.J. Roberts.

BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. WARNING: This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

THE DARK DUET (BOOK 3):It didn't happen exactly as Livvie said. She's been very kind to me in the retelling of our story. The truth is far more...complicated.DARK DUET

BOOK 3 OF THE DARK DUET I'm writing this because you begged. You know how I love the begging. In fact, you probably know too many things and know them far too well. Who am I? Well, that's what I'm trying to figure out. I was a whore in my youth, a killer since my adolescence, and a monster as a man. I am the man who kidnapped Livvie. I am the man who held her in a dark room for weeks. But, most importantly, I am the man she loves. She loves me. It's quite sick, isn't it? Of course, there's more to our story than can be surmised in a few short sentences, but I'm at a loss for justifying my behavior back then. I assume if you're reading this, I don't need to make those justifications. You've already made your own. You're reading this because you want to know about the rest of the story. You want to know what happened that warm summer night in September of 2010, the night I met Livvie at The Paseo. It was the night my life changed all over again. It didn't happen exactly as Livvie said. She's been very kind to me in the retelling of our story. The truth is far more...complicated.

In this rural noir, a woman is forced to confront her own past during a pulse-pounding expedition to deliver a fugitive In a secessionist rural state that has cut itself off completely from urban centres, where living is hardscrabble and poor but "free," Brooke Holland runs a farm with her husband and two daughters. Their existence at the fringes of modern society is tenuous--they make barely enough from each harvest to keep going--yet Brooke cherishes the loving, peaceful life they have carved out for themselves. She has even begun to believe she is free from the violent history she has kept a secret from her family. When escaped criminal Stephen Cawley attacks the farm, Brooke's buried talents surface, and she manages to quickly and harshly subdue him. Convinced that he has come in retribution for the blood feud that began years ago, Brooke sets out to bring Cawley to justice, planning to use the bounty on his head to lead her family into hiding far from danger. Fearing that other members of Cawley's infamous family will soon descend on the farm, Brooke insists that Milo and the girls flee with her, travelling miles on foot across an unforgiving landscape to reach the nearest marshal. Their journey, beginning at the onset of winter with little preparation, brings already strained family dynamics to the breaking point. As Brooke's ghosts--both real and imagined--close in, the ruthlessness that allowed her to survive her past may become the biggest threat to her hopes for a different future. What follows is a harrowing exploration of family loyalty, trauma and resilience. As haunting and propulsive as it is powerfully written, The Captive is a thrilling debut novel about the seemingly impossible choices we make to survive and protect the ones we love.
