De Beers. De Beers ' peerless expertise and commitment to quality has played proof to the very phrase the brand coined in 1947: " A diamond is forever. " . The source of most of the world ' s diamonds and originator of the industry ' s first grading system — the 4Cs: carat, cut, clarity and colour, De Beers continues its ceaseless quest for perfection to this day by hand-selecting only ethically sourced diamonds for its jewellery.

Explores the marital foibles of four couples while following the creation the famous advertising campaign that turned diamonds into a symbol of the hope for everlasting love.

Understanding the interrelationship of business, society and government is vital to working at any level in a company of any size. This text uses a case analysis approach to explore this interrelationship in today ' s high-tech global community. The authors crystallize the complex array of issues that business leaders, managers, and employees face in market and nonmarket environments, from balancing stakeholder interests and dealing with government regulations to managing crises and making socially responsible and ethical decisions. Technical concepts come to life through a variety of cases and case questions, thought-provoking personal and professional applications, ethical dilemmas, and practical exercises. Furthermore, an appendix offers approaches to case analysis and includes a case analysis table that serves as a model for students and professors. With its thorough coverage of relevant issues and skill-building elements to stimulate critical thinking, this text will prepare students to understand and confront real-world business concerns.

“ Unforgettable. . . . An outstanding adventure in its lyrical, utterly compelling, and heartbreaking investigations of the world of diamond smuggling. ” —Aimee Nezhukumatathil For nearly eighty years, a huge portion of coastal South Africa was closed off to the public. With many of its pits now deemed “ overmined ” and abandoned, American journalist Matthew Gavin Frank sets out across the infamous Diamond Coast to investigate an illicit trade that supplies a global market. Immediately, he became intrigued by the ingenious methods used in facilitating smuggling?particularly, the illegal act of sneaking carrier pigeons onto mine property, affixing diamonds to their feet, and sending them into the air. Entering Die Sperrgebiet (“ The Forbidden Zone ”) is like entering an eerie ghost town, but Frank is surprised by the number of people willing—even eager—to talk with him. Soon he meets Msizi, a young diamond digger, and his pigeon, Bartholomew, who helps him steal diamonds. It ' s a deadly game: pigeons are shot on sight by mine security, and Msizi knows of smugglers who have disappeared because of their crimes. For this, Msizi blames “ Mr. Lester, ” an evil tall-tale figure of mythic proportions. From the mining towns of Alexander Bay and Port Nolloth, through the “ halfway ” desert, to Kleinzee ' s shores littered with shipwrecks, Frank investigates a long overlooked story. Weaving interviews with local diamond miners who raise pigeons in secret with harrowing anecdotes from former heads of security, environmental managers, and vigilante

pigeon hunters, Frank reveals how these feathered bandits became outlaws in every mining town. Interwoven throughout this obsessive quest are epic legends in which pigeons and diamonds intersect, such as that of Krishna ' s famed diamond Koh-i-Noor, the Mountain of Light, and that of the Cherokee serpent Uktena. In these strange connections, where truth forever tangles with the lore of centuries past, Frank is able to contextualize the personal grief that sent him, with his wife Louisa in the passenger seat, on this enlightening journey across parched lands. Blending elements of reportage, memoir, and incantation, *Flight of the Diamond Smugglers* is a rare and remarkable portrait of exploitation and greed in one of the most dangerous areas of coastal South Africa. With his sovereign prose and insatiable curiosity, Matthew Gavin Frank “ reminds us that the world is a place of wonder if only we look ” (Toby Muse).

Consists of reproductions of articles from South African newspapers.

Africa's diamond wars took four million lives. 'Blood on the Stone' tells the story of how diamonds came to be so dangerous, describing the great diamond cartel and a dangerous pipeline leading from war-torn Africa to the glittering showrooms of Paris, London and New York. It describes the campaign that forced an industry and more than 50 governments to create a global control mechanism, and it provides a sobering prognosis on its future.
