Deutsch Aktuell takes students on a journey of discovery. Deutsch Aktuell will challenge your students, keep them engaged, and put them on a path to life-long fluency. From the start, your students will "live the language" through an instructional design that provides: Open-ended, engaging communicative activities; Lively, authentic cultural coverage; Engaging technology components that speak to today's student; Intensive, varied practice opportunities, rooted in authentic applications. - Publisher.

"This is a program that focuses on all 3 modes of communication (interpersonal, presentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."--Amazon/Publisher.

An international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. Americans precede anything negative with three nice comments; French, Dutch, Israelis, and Germans get straight to the point; Latin Americans and Asians are steeped in hierarchy; Scandinavians think the best boss is just one of the crowd. It's no surprise that when they try and talk to each other, chaos breaks out. In *The Culture Map*, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture
