Dragons, a prophecy, a curse and a reverse harem of the most important dragons. It's crazy tempting and honestly not that bad if you really like all these elements even if it's done a little bland. The beginning is good, I love the thief idea and to use it as a way to Dragon's Fire is smushed together version of the whole blood prophecy series, five tiny books make for a one long ass read duh.

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more.... Dareena Sellis is a nobody. Too bad, it's not as fun as a forked dragon tongue. Soon, Yara's racing against time to steal back her brother before his fate - and hers - are sealed. Fans of T. S. Joyce and Thea Harrison will love Forked Tongues Are Fun in Holly Ryan's new scorching hot reverse harem series.

One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. \*Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva Chase. If you love kickass heroines with sass to spare, drool-worthy monsters who have their own sense of morality, and steamy romances where there'll be no choosing required, dive in now!\*

When Maggie Evans had a heart transplant, she received more than a new organ from her donor. She also got a piece of the woman's soul and now, Maggie can feel emotions she can't explain. Emotions that help her decide to take a job for Sebastian Hart in a dark mansion on the coast of Maine. When she gets there, she discovers her heart had a good reason to make her go. Sebastian isn't the only Hart brother who makes Maggie's pulse quicken. His younger brother, Alexander, captures the rest of her. While having her affections torn between two brothers who are her bosses is complicated enough, Maggie also learns the men are far more than they seem. Now she's trapped in a world she never imagined existed, and it could be the adventure of a lifetime, or a lifetime in hell. vampire romance, young adult romance, love triangle, small town, coastal town romance

Four sexy dragon shifters. A huntress with a dark past. A bond that could save the world. I've spent my entire life running from my past and staying out of trouble. That's how I've kept alive ever since my parents were killed by the Black Dragon, who's ruled the world under her oppressive talons for as long as anyone can remember. But it's hard to keep a low profile when four handsome strangers turn up in your village claiming you're destined to save the world. According to them, they've been chosen by the gods to become elemental dragons-and I'm their mate. Which means one day I'll be the most powerful dragon of all, able to control all four elements. Assuming I can unlock my powers first...by getting intimate with each of my sexy mates. Auric, the clever prince. Jasin, the cocky soldier. Slade, the protective blacksmith. Reven, the mysterious assassin. And me. We're the only ones who can bring balance to the world and overthrow the Black Dragon-if she doesn't tear us to shreds first. STROKE THE FLAME is the first book in a new steamy reverse harem fantasy series.

The last of her kind. Four hot alpha mates. A legacy of bloodshed. When Ren Landis goes looking for excitement on her 21st birthday, getting kidnapped is a little more than she bargained for. So is finding out that shifters exist-and that she's one too. As the last of the dragon shifters, she's got a role to fulfill: Take the alphas of the four shifter groups as her mates and unite all shifter kind. No pressure, right? Too bad Ren's fate isn't as simple as getting it on with four scorching-hot guys. Someone is out for dragon shifter blood, intent on finishing the massacre they started years ago. If Ren can't figure out how to kickstart her buried powers, her life's about to go down in flames.

She's lived in the darkness long enough.Danica has lived her life in the shadows. Her family ran away from the dragon realm to keep her safe, but now she's all grown up and able to protect herself. One of only four females able to mate, she's both precious to their world and in danger from those who would use her for their own advantage. Erik, Damon, Castien and Benjamin survive in the human world by running into burning buildings and feeding from the flames. It isn't perfect, but they had to leave their dying realm behind. They're content with their lives, until they see her. A woman who calls to not one, but all four of them. The Dragon King will stop at nothing to ensure his bloodline is secure, even if it means kidnapping and forcing himself on Danica as well as the other remaining female dragons. Tired of living in the shadows, Danica steps into the light only to be faced with a terrible truth and dangerous consequences.

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, veryvirile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

One hybrid Fury queen. Three pure-blood Dragon Princes. A reverse harem with a dark fairy tale twist and an epic flair! My name is Daisy. I've been cursed to serve a bad-tempered elemental in my beastly form for centuries. There's only one way to lift the curse: a kiss from three true loves. To acquire even one is nearly impossible. How am I going to get three? Then three gorgeous-as-sin, yet clueless dragon princes stumble into my lair. Only they do not come to kiss me. They come to slay me without knowing who I really am. Unless they cut the three heads of the Furies-my heads-or make the Fury Queen fall in love with them, they'll never shift back to dragons. Not surprisingly, the princes all choose what they think is the easiest-to behead the beasts. Warning: This is a reverse harem fantasy/paranormal romance that features one strong woman and her three sexy-as-sin Dragon princes. It contains battles, steamy sex scenes, raw language, magic, swordfights, dark fae, dragon shifters, vampires, and otherworldly nightmares of creatures, and at last, true loves, with a happy ever after at the end of series.

Both Dragonfell and Elvenhame unknowingly teeter on the brink of destruction, and unless Dareena and her mates can uncover the true conspiracy, their world will fall to darkness...
