bestselling author
Naomi Wolf illustrates
the breathtaking
changes that can take
place when ordinary
citizens engage in the
democratic system the
way the founders
intended and tells how
to use that system, right
now, to change your
life, your community,
and ultimately, the
nation.

Give me Liberty defines
in a nutshell what it
really means to be an
American. Not a false
patriot, who sits in front
of a tv listening to
Glenn Beck or CNN,
but anyone in the world
who values freedom.

This is what our
founding fathers meant
for us. Not an inherited
status deserved because
of where you were born
but what you do with it.

Where TEOA has the references and detail, Give Me Liberty follows up on those themes and provides guidance on where to take it next, if you are so inclined. The author's style is engaging and there is good material here. I would recommend this as the advanced course of The End Of America.
