The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

Trainees in preparation for the MRCP examination will welcome the much-anticipated new edition of this 'gold standard' revision book. Revised and updated throughout to encompass new developments in medical diagnostics and therapeutics, and restructured to reflect the recent changes in the format of the Part 2 written examination, the book continues to offer a more detailed and examination-orientated approach than other revision guides on the market. The appeal of the book lies not only in the careful adherence to the examination format, but also in the invaluable hints it provides on exam technique, with suggestions of information that will be helpful when tackling the exam presented in a 'revision-friendly' boxed format.
