drained and dead, and I won't allow it. It's time for them to find out why even the Monsters fear me. I am the bad guy Companion novel to Friends with the Monster. RH story with adult themes not recommend for those under 18

When Ethan looks under the bed for his monster, he finds this note instead: "So long, kid. Gotta go. Someone needs me more than you do. -Gabe" How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of I Need My Monster, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

This enhanced eBook features read-along narration. A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar

nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.

Just when I think things can't get any crazier... I found out why I can talk to animals and monsters. I met my father and I wasn't quite expecting his answers. But he does command several legions of demons and he's working on getting more to help us overthrow Demeter. We're going to need all the help we can get because I don't have enough of Hephaestus's powder to free every single monster in the pits from being trapped in their monster form by those collars. My monsters, the ones I've gotten to know, can change back to their human form now and they want their revenge on Demeter. They want to save their queen, Persephone. I wasn't expecting to be brought in on this, but I'm involved now. Even Hephaestus has snuck into the Underworld to help us. I guess all the unloved Gods and monsters are going to have to go up against a deranged Goddess with Olympus on her side. I'm not a monster or a God. I'm only half demon. But now that my father knows about me, we may have the help of Hell on our side. I didn't ask for this, but there's just something about these monsters that makes me want to help them. It doesn't hurt that they are all drop dead gorgeous and horrible flirts. I can even overlook

that Pavlina and Tryphon like to eat people.

Jason wakes up in a mysterious world of magic and monsters. It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are evil. He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants. After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, *He Who Fights with Monsters* is now available on Kindle. It's perfect for fans of *Pirate Aba*, *Dakota Krout*, and *Luke Chmilenko*.

In *Are You My Monster?*, the monster-loving boy from *I Need My Monster* tries to find his monster. He compares his drawing—showing a green monster with a long tail, pointy nails, and big teeth—with an assortment of amusing monsters, until he finds the perfect match. This turns out to be his beloved STUFFED monster toy. Children will love comparing colors, checking if tails are long or short, if nails are pointy or round, if teeth are big or small until they, too, find the monster who is a perfect match.

all of fiction lurches into his own 1970s comic-book series, collected in color for the first time. Witness a dramatic retelling of Mary Shelley's literary classic, then follow the Monster in his quest for the last living descendant of his creator, Victor Frankenstein. It's an odyssey that will lead him into confrontation with Marvel's other groovy ghoulies, Dracula and Werewolf by Night! Plus: the full rage of the Monster is unleashed in lavishly illustrated, but rarely seen, tales from the heyday of Marvel magazines. It's enough to bring the dead back to life! Collecting Frankenstein (1973) #1-18, Giant-Size Werewolf #2 and Marvel Team-Up (1972) #36-37 - Plus material from Monsters Unleashed #2 and #4-10, and Legion of Monsters (1975) #1.
