The Mystical Keys to the Book of Revelation is about the author's miraculous transformation that was responsible for aligning her soul with the Spirit of the living God. As her journey progressed, God and his angels taught Laura the secrets to the Book of Revelation. They revealed that this sacred Scripture is not a book of doom and gloom, but simply describes in symbolic language the stages of metamorphosis that will occur on the planet as the souls of humanity are aligned with the divine spirit. Laura's own metamorphosis led her into the arms of true love as she and her soul mate were united. She reveals how the forces of the Holy Trinity become active in two souls as they become bonded by Divine Love. Laura has recorded her journey and the messages that the Divine Spirit imparted to her in the hopes that they will inspire others to search for truth and love in their own lives.

Spiritual seekers, shamanic journeyers, and those with an interest in cross-cultural mythology will find Rudolph's work invaluable as readers look back in order to look forward. The Bible as we know it today is actually a mishmash of translations, from ancient Hebrew into Greek and Latin and, from there, into English and a host of other languages. Much has been lost over the course of these translations- sometimes unintentionally, sometimes deliberately by religious authorities pursuing their own agendas. The earliest earth-based spiritual teachings found in the Bible were actually driven underground, their messages hidden and virtually

inaccessible. The word pagan merely means countryside and it was used to identify people who lived close to the Earth, followed the seasons, looked to the stars, and learned from the cycles of life that surrounded them. These were the people of ancient times who transmitted the original oral lessons that were later codified within the Bible. 21 Secrets takes readers on a shamanic quest to discover these long-forgotten oral teachings of some of the world's most influential tales and journeys. Through cross-cultural shamanic eyes there are numerous surprising revelations including Eve as the hero of the Garden of Eden, and the serpent as the agent of creation here on Earth.

Almine probes further into the nature and meaning of existence, introducing the Goddess mysteries as they apply not only to individual human lives, but to the cycles of the cosmos.
