A New Heroine. An Old Evil. An Unforgettable Adventure. A thrilling new supernatural adventure series. Fuses the excitement, action and extraordinary worlds of Harry Potter, I Am Number Four and Buffy the Vampire Slayer with an inspirational new teen heroine. Oksa Pollock is a normal thirteen-year-old girl, starting a new life in London. New lives, new friends, a new school and new adventures. But bizarre things start happening around Oksa she finds she can produce fire from her hands, move objects with her mind, and even fly. Finally the truth emerges...her family fled Edefia, their magical, hidden homeland years ago. And more than that: Oksa is their queen... Oksa will be thrown into a wilder adventure than she could ever have imagined. She must triumph over her enemies. The whole of Edefia is counting on her.

Home is where the danger starts... Oksa Pollock's worlds are dying, and she faces her toughest challenge yet: to bring our world, and her magical ancestral home, Edefia, back to life again. As Earth collapses, only the power that Oksa inherits as Graciousness will be anywhere near enough to save them. But between her and hope lies her most wicked enemy: Ocious, the cause of all her family's heartbreak. There are other things on her mind, too: her mother and her best friend Gus are trapped back in our world, her almost-boyfriend Tugdual is behaving oddly, and her grandmother has been lost to them altogether. If Ocious is able to take someone else close to Oksa, the future of both worlds would be in greater danger than ever... Anne Plichota was born in Dijon, France, and after studying Chinese language and culture spent several years living and working in Korea and China. Cendrine Wolf was born in the Alsace region of France. She studied sports, and went on to work with teenagers in deprived neighbourhoods. Cendrine and Anne have been friends for almost two decades and have always wanted to find a project to work on together (including plans to open an English delicatessen in eastern France!). They are glad they finally found one.

Oksa Pollock has made some pretty incredible discoveries in the last few months, not least that she's the queen of the lost magical land of Edefia. As if that wasn't enough for any thirteen-year-old to be dealing with, her mother is still desperately ill after being attacked by Edefia's unscrupulous enemies, and now her best friend in the whole world, Gus, has become trapped in the Forest of Lost Souls. Entering that terrifying place is the rescue party: Oksa and a few fellow Runaways—including the moody, mysterious Tugdual. In the forest the group must all face their own personal demons, not to mention an assortment of horrific creatures, in a desperate attempt to bring Gus back alive. But even if Oksa and her group make it through the wastelands and the monsters, there are greater threats to face: betrayal, grief, and the end of the world itself. And it's only just beginning... The Forest of Lost Souls is the second book in the phenomenal Oksa Pollock series, following on from The Last Hope . The third in the series, The Heart of Two Worlds is coming soon.

Oksa's heart-stopping adventures continue, as she journeys to her enchanted homeland Earthquakes, volcanic eruptions, torrential rain... The Earth is in turmoil. Fleeing a flooded London, Oksa and the rest of the Pollock family set off in search of the Entrance Portal of Edefia, their magical home. It is their only chance of restoring the Earth's balance. To get there, Oksa is forced to ally herself with the terrible Felons, mortal enemies who could betray her at any moment. Luckily she also has some real friends at her side: Pavel, her shapeshifting father; Gus and Tugdual, the two rivals for her heart; and, of course, her formidable grandmother Dragomira, along with her menagerie of Edefian creatures. But little does Oksa know, not only will she have to brave countless dangers to reach the portal, she must also pay a terrible price to enter the hidden world... Oksa et les Sauve-qui-Peut sont de retour dans la maison londonienne des Pollock, au grand soulagement des Refoulés. Mais Orthon et ses fils se sont glissés parmi eux lors de la traversée du portail d'édéfia. Alors que les Sauve-qui-Peut entreprennent de soigner Gus et Marie en danger de mort, Orthon met en place une véritable armée sur une plate-forme au large du Groenland. Son but : infiltrer les principaux gouvernements pour prendre le pouvoir par la manipulation, le chantage et la soumission psychologique. Parallèlement, dans sa mégalomanie, il utilise à sa guise son fils biologique, Tugdual. Déterminée comme jamais, Oksa va se lancer dans cette redoutable aventure, alors que son cœur est soumis à rude épreuve, partagé entre l'espoir de sauver Tugdual et l'évolution de ses sentiments envers Gus.
