L'Homme révolté et Les Justes L'histoire se déroule dans les années 1940. Elle a pour théâtre Oran durant la période de l'Algérie française. Le roman raconte sous forme de chronique la vie quotidienne des habitants pendant une épidémie de peste qui frappe la ville et la coupe du monde extérieur. Camus semble s'être documenté sur une petite épidémie de peste bubonique, survenue à Oran en 1945, succédant à une épidémie plus sérieuse qui avait eu lieu à Alger en 1944, mais son projet est antérieur à l'apparition de ces épidémies, puisqu'il y travaille depuis 1942 (comme en témoignent ses «

the Nobel Prize for Literature. As the author of *L'Étranger* and the architect of the notion of 'the Absurd' in the 1940s, he shot to prominence in France and beyond. His work nevertheless attracted hostility as well as acclaim and he was increasingly drawn into bitter political controversies, especially the issue of France's place and role in the country of his birth, Algeria. Most recently, postcolonial studies have identified in his writings a set of preoccupations ripe for revisitation. Situating Camus in his cultural and historical context, this 2007 Companion explores his best-selling novels, his

Stevenson With Alexandre Dumas's epic novel of intrigue and adventure, *The Count of Monte Cristo* has thrilled readers for centuries with its sweeping themes of alienation, love, and revenge. With its intricate plot and evocative settings in France and the Mediterranean, this book is one of the most beloved classics ever written. In this quintessential tale of vengeance set in the Napoleonic era, Edmond Dantès, a young French sailor, is engaged to marry Mercédès, a young and beautiful Catalan woman. In a terrible act of jealousy, three men betray Edmond, and he is wrongfully convicted of treason. He

is sent to the infamous Château d'If, one of the most feared prisons of France. After a daring escape from imprisonment, Dantès hunts in search of a treasure that he has learned of from a fellow inmate. Once in possession of his vast fortune, he returns to Paris as the mysterious Count of Monte Cristo to wreck revenge on the three men who have betrayed him. Dumas's tale simmers with intrigue and excitement and remains one of the great classics of our time. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Count of Monte Cristo is both modern and readable.

Download Ebook Peste La Albert Camus

In 1960 a mysterious car crash killed Albert Camus and his publisher Michel Gallimard, who was behind the wheel. Based on meticulous research, Giovanni Catelli builds a compelling case that the 46-year-old French Algerian Nobel laureate was the victim of premeditated murder: he was silenced by the KGB. The Russians had a motive: Camus had campaigned tirelessly against the Soviet crushing of the 1956 Hungarian Revolution, and vociferously supported the awarding of the Nobel Prize to the dissident novelist Boris Pasternak, which enraged Moscow. Sixty

years after Camus' death, Catelli takes us back to a murky period in the Cold War. He probes the relationship between Camus and Pasternak, the fraught publication of Doctor Zhivago, the penetration of France by Soviet spies, and the high price paid by those throughout Europe who resisted the USSR.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the

story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.
