Based on interviews with astronomers, this book reads like a scientific 'whodunnit', going from disappointment to elation in the hunt for 'Planet X'. Science writer Govert Schilling introduces the heroes in the race to find a new world in our solar system.

Authentic examination papers for learners preparing for the revised Pre A1 Starters, A1 Movers and A2 Flyers exams as introduced in 2018. This collection of examination papers for Pre A1 Starters provides ideal exam practice. It contains three full-colour test papers which contain engaging activities and attractive illustrations to motivate young learners. These papers also provide an excellent opportunity for children, parents and teachers alike to familiarise themselves with the format of the revised test. An Audio CD (which contains the listening sections of the tests) and an Answer Booklet are also available separately.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videokee' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

From the 1960s to the 1990s, seven members of the Quimpo family dedicated themselves to the anti-Marcos resistance in the Philippines, sometimes at profound personal cost. In this unprecedented memoir, eight siblings (plus one by marriage) tell their remarkable stories in individually authored chapters that comprise a family saga of revolution, persistence, and, ultimately, vindication, even as easy resolution eluded their struggles. Subversive Lives tells of attempts to smuggle weapons for the New People's Army (the armed branch of the Communist Party of the Philippines); of heady times organizing uprisings and strikes; of the cruel discovery of one brother's death and the inexplicable disappearance of another (now believed to be dead); and of imprisonment and torture by the military. These stories show the sacrifices and daily heroism of those in the movement. But they also reveal its messy legacies: sons alienated from their father; daughters abused by the military; friends betrayed; and revolutionary affection soured by intractable ideological differences. The rich and distinctive contributions span the martial law years of Ferdinand Marcos's rule. Subversive Lives is a riveting and accessible primer for those unfamiliar with the era, and a resonant history for those with a personal connection to what it meant to be Filipino at that time, or for anyone who has fought political repression.
