American poet, sought artistic inspiration in Brazil. There she met and fell in love with Lota de Macedo Soares, a self-trained Brazilian architect. This dual biography—brilliantly researched, and written in a lively, novelistic style—follows their relationship from 1951 to 1967, the time when the two lived together in Brazil.

The koki'o, or *Hibiscus arnottianus*, is a rare white hibiscus plant with beautiful white flowers that grows only in the mountainous moist to wet forests of Moloka'i and O'ahu islands of Hawaii. The phrase "the rarest flower in the world" may sound like a quote from a fairy tale, but the world of plants on our planet is filled with flowers that often seem like they came straight out

Records show that May lily has been considered a rare plant since Victorian times. Credit: Paul R Sterry / Alamy Stock Photo. Also known as false lily of the valley. The plant's single stem of white flowers, which typically appears in May as the name would suggest, turns to red berries after pollination.
