Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, 'Do the sacrifices give a happy fortune?', 'What about the Gods?', 'Was it really Prajapati who had created the world?' 'Was it not the 'Atman', the singular one?' Siddhartha meets his father and says, 'With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics. My desire is to become a Samara.' His father says-'You will go into the go forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful.' This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid.

Hermann Hesse wrote Siddhartha during a period in his life in which he suffered what he described as a “sickness with life.” He claimed to be unable to complete the book because he had not experienced the kind of nirvana that Siddhartha, the main character, wants to achieve—so Hesse surrounded himself with sacred Buddhist and Hindu teachings and lived as a recluse in order to complete this work. Siddhartha is a short, simple tale of a man’s quest to achieve enlightenment and happiness. Over twelve short chapters the reader follows Siddhartha through his time as a young adult, to his exploration of spirituality as a traveling ascetic, to his delvings in lust, business, and greed, to his time as an old man. At each stage of his life Siddhartha yearns for nirvana, finally achieving it only after realizing that it’s all of life’s experiences that form it, not the teachings of any one man. Today Siddhartha remains an influential text in new Western spirituality. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
