The City (TV Series 2008-) - IMDb

The City & The City is a wonderful book - it's part detective mystery, part dystopian feature, part Cold War Berlin. It pulls different genres into a mesh of intrigue and suspense. You'll read the first few chapters getting progressively more confused, until suddenly an image of the City forms in your mind and it all starts to make sense!

The City & The City: TV tie-in: Amazon.co.uk: Miéville ...

The City & the City is a novel by British author China Miéville that follows a wide-reaching murder investigation in two cities that occupy the same space simultaneously, combining weird fiction with the police procedural. It was written as a gift for Miéville's terminally ill mother, who was a fan of the latter genre. The novel was published by Macmillan on 15 May 2009.

Overall, The City and The City (****) is a fine slice of television drama, with an accomplished cast and some great visual storytelling. The handling of the unusual premise could have been handled more elegantly, perhaps, but overall this is a great first adaptation of a China Mieville novel and hopefully not the last.
