Frankie and his team love playing football. There's always time for a game - especially when it's a tournament! When Frankie and his friends are whisked to the Canadian Rockies they land with a splash - straight into a freezing river. Thank goodness for a giant rescue dog who turns up just in time. To return the favour, the friends save the dog's owner, Danni, from a grizzly bear. But when they get back to school, they realize their mission isn't over yet. Something has followed them through the portal... Can they return a large, furry creature to Canada, and help their new friend win the tournament of her life?

A gripping graphic novel adaptation of Lauren Tarshis's bestselling I Survived the Attack of The Grizzlies, 1967, with text adapted by Georgia Ball. No grizzly has ever killed a human in Glacier National Park before... until tonight. Eleven-year-old Melody Vega and her family come to Glacier every year. Mel loves it here — the beautiful landscapes and wildlife make it easy to forget her real-world troubles. But this year is different. With Mom gone, every moment in the park is a reminder of the past. Then Mel comes face-to-face with a mighty grizzly. She knows basic bear safety: Don't turn your back. Don't make any sudden movements. And most importantly: Don't run. That last one is the hardest for Mel; she's been running from her problems all her life. If she wants to survive tonight, she'll have to find the courage to face her fear. Based on the real-life grizzly attacks of 1967, this bold graphic novel tells the story of one of the most tragic seasons in the history of America's national parks — a summer of terror that forever changed ideas about how grizzlies and humans can exist together in the wild. Lauren Tarshis's New York Times bestselling I Survived series comes to vivid life in graphic novel editions. Perfect for readers who prefer the graphic novel format, or for existing fans of the I Survived chapter book series, these graphic novels combine historical facts with high-action storytelling that's sure to keep any reader turning the pages. Includes a nonfiction section at the back with facts and photos about the real-life event.

Frankie and his team love playing football. There's always time for a game. And now that they have their magical football they're playing against teams they never imagined! This time the magic football takes them to Australia - what adventures will they find in the land Down Under?

Together they will reap the whirlwind... Sabrina is a weather witch losing control. Everything she touches seems to fall apart and tornadoes are whirling down Main Street in the small shifter town in the Canadian Rockies where she's lived for the past couple of years. Ace is a bear shifter on walkabout without his brothers for the first time in a long time. When he stops to talk to the Lords of the Were, he is given a mission to fetch Sabrina and bring her back to their compound in Montana so she can get help. When Ace is with Sabrina, weather tempests are the least of their problems. Sparks fly between them and an attraction builds, even as evil agents chase them, trying to steal her power. Will Ace be able to get her to safety, or will the whirlwind take them into the darkness of the unknown?
