See any similarities? If so, you've just violated rule No.1 of turbo-partisan America: That no matter how closely one side's position, pet hate, personal taste, or language mirrors the other's, any claim of left-right equivalence is patently false, and probably deeply offensive. But what if the false equivalence isn't actually false, and what both sides really need is a bracing slap

Money. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits.

Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your
