find him, an effort that is hampered by vigilante groups and the harrowing forces of nature. A first novel. Winner of the 2006 Costa Book of the Year. Reprint. 100,000 first printing.

“ After killing the red-haired man, I took myself off to Quinn ’ s for an oyster supper. ” So begins an extraordinary story of betrayal and treachery, of delusion and deceit narrated by Edward Glyver. Glyver may be a bibliophile, but he is no bookworm. Employed “ in a private capacity ” by one of Victorian London ’ s top lawyers, he knows his Macrobius from his First Folio, but he has the street-smarts and ruthlessness of a Philip Marlowe. And just as it is with many a contemporary detective, one can ’ t always be sure whether Glyver is acting on the side of right or wrong. As the novel begins, Glyver silently stabs a stranger from

Read Free The Tenderness Of Wolves Costa Book Of

behind, killing him apparently at random. But though he has committed a callous and brutal crime, Glyver soon reveals himself to be a sympathetic and seductively charming narrator. In fact, Edward Glyver keeps the reader spellbound for 600 riveting pages full of betrayal, twists, lies, and obsession. Glyver has an unforgettable story to tell. Raised in straitened circumstances by his novelist mother, he attended Eton thanks to the munificence of a mysterious benefactor. After his mother ' s death, Glyver is not sure what path to take in life. Should he explore the new art of photography, take a job at the British Museum, continue his travels in Europe with his friend Le Grice? But then, going through his mother ' s papers, he discovers something that seems unbelievable: the woman who raised him was not his mother at all. He is actually the son of Lord Tansor, one of the richest

Read Free The Tenderness Of Wolves Costa Book Of

and most powerful men in England. Naturally, Glyver sets out to prove his case. But he lacks evidence, and while trying to find it under the alias “ Edward Glaphorn, ” he discovers that one person stands between him and his birthright: his old schoolmate and rival Phoebus Rainsford Daunt, a popular poet (and secret criminal) whom Lord Tansor has taken a decidedly paternal interest in after the death of his only son. Glyver ’ s mission to regain his patrimony takes him from the heights of society to its lowest depths, from brothels and opium dens to Cambridge colleges and the idylls of Evenwood, the Tansor family ’ s ancestral home. Glyver is tough and resourceful, but Daunt always seems to be a step ahead, at least until Glyver meets the beguilingly beautiful Emily Carteret, daughter of Lord Tansor ’ s secretary. But nothing is as it seems in this accomplished, suspenseful

Read Free The Tenderness Of Wolves Costa Book Of

novel. Glyver 's employer Tredgold warns him to trust no one: Is his enigmatic neighbour Fordyce Jukes spying on him? Is the brutal murderer Josiah Pluckthorn on his trail? And is Glyver himself, driven half-mad by the desire for revenge, telling us the whole truth in his candid, but very artful, " confession " ? A global phenomenon, The Meaning of Night is an addictive, darkly funny, and completely captivating novel. Meticulously researched and utterly gripping, it draws its readers relentlessly forward until its compelling narrator ' s final revelations.

When Samuel Godwin, a young and naive art tutor, accepts a job with the Farrow family at their majestic home, little does he expect to come across a place containing such secrets and lies. His two tutees are as different as can be--younger sister Marianne, full of flightiness and nervous

Imagination, and Juliana, sensible and controlled. Helped by their governess, Charlotte Agnew, Samuel begins to uncover slowly why Marianne is so emotionally fragile, and in doing so uncovers a web of intrigue. But his discoveries lead to revenge and betrayal--and lives all around are turned upside down. Linda Newbery has written a novel in diary style, combining different voices and a different century with her usual brilliance and ease. These are characters full of the same passions as our own today, while living in an unfamiliar and fascinating time.

WORLDWIDE BESTSELLER. A breathtaking tale of mystery, buried secrets and romance, set in nineteenth century frontier Canada - for fans of THE SNOW CHILD and A PLACE CALLED WINTER. 'Unquestionably atmospheric, evocative and rewarding' Independent on Sunday 'A tense and delicately written thriller' Observer Canada, 1867. A young murder suspect flees across the snowy wilderness. Tracking him is what passes for the law in this frontier land: trappers, sheriffs, traders and the suspect's own mother, desperate to clear his name. As the party pushes further from civilisation, hidden purposes and old obsessions are revealed. One is seeking long-lost daughters; another a fortune in stolen furs; yet another is chasing rumours of a lost Native American culture. But where survival depends on cooperation, their fragile truce cannot afford to be broken,

Aegisthus, and together they plot the bloody murder of Agamemnon on the day of his return after nine years at war.

Judged, despised, cursed by gods, Clytemnestra reveals the tragic saga that led to these bloody actions: how her husband deceived her eldest daughter Iphigeneia with a promise of marriage to Achilles, only to sacrifice her; how she seduced and collaborated with the prisoner Aegisthus; how Agamemnon came back with a lover himself; and how Clytemnestra finally achieved her vengeance for his stunning betrayal—his quest for victory, greater than his love for his child. House of Names “ is a disturbingly contemporary story of a powerful woman caught between the demands of her ambition and the constraints on her gender...Never before has T ó ib í n demonstrated such range, ” (The Washington Post). He brings a

Read Free The Tenderness Of Wolves Costa Book Of

modern sensibility and language to an ancient classic, and gives this extraordinary character new life, so that we not only believe Clytemnestra ' s thirst for revenge, but applaud it. Told in four parts, this is a fiercely dramatic portrait of a murderess, who will herself be murdered by her own son, Orestes. It is Orestes ' s story, too: his capture by the forces of his mother ' s lover Aegisthus, his escape and his exile. And it is the story of the vengeful Electra, who watches over her mother and Aegisthus with cold anger and slow calculation, until, on the return of her brother, she has the fates of both of them in her hands.

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage

Gaza is being bombed. Rashid - an unemployed twenty-seven year old who has stayed up smoking grass watching it happen - wakes to hear that he's got the escape route he's been waiting for: a scholarship to London. His twin sister, Iman - frustrated by the atrocities and inaction around her - has also been up all night, in a meeting that offers her nothing but more disappointment. Grabbing recklessly at an opportunity to make a difference, she finds herself being followed by an unknown fighter. Meanwhile Sabri, the oldest brother of this disparate family, works on a history of Palestine from his wheelchair as their mother pickles vegetables and feuds with the neighbours. Written with extraordinary humanity and humour, and moving between Gaza, London and the Gulf, *Out of It* is a tale that redefines Palestine and its people. It follows the lives of Rashid and Iman as

Grierson. When Mr. Grierson is charged with possessing child pornography, the implications of his arrest deeply affect Linda as she wrestles with her own fledgling desires and craving to belong. And then the young Gardner family moves in across the lake and Linda finds herself welcomed into their home as a babysitter for their little boy, Paul. It seems that her life finally has purpose but with this new sense of belonging she is also drawn into secrets she doesn't understand. Over the course of a few days, Linda makes a set of choices that reverberate throughout her life. As she struggles to find a way out of the sequestered world into which she was born, Linda confronts the life-and-death consequences of the things people do—and fail to do—for the people they love. Winner of the McGinnis-Ritchie award for its first chapter, Emily Fridlund's propulsive and gorgeously

The History of Wolves introduces a new writer of enormous range and talent.

Sometimes you have to travel to the farthest edge of the world in order to find your true place in it... A panoramic historical epic and an unforgettable love story from the author of *The Tenderness of Wolves*, for fans of Kristin Hannah, Sarah Perry, and Barbara Kingsolver A whaler's daughter, Flora Mackie first crossed the Arctic Circle at the age of twelve. Years later, in 1892, determination and chance lead her back to northern Greenland as a scientist at the head of a British expedition, defying the expectations of those who believe a woman has no place in that harsh world. Geologist Jakob de Beyn was raised in Manhattan. Yearning for wider horizons, he joins a rival expedition. Jakob and Flora's paths cross. It is a fateful meeting,
